

A MUST-SEE seminar on the Constitution and Bill of Rights:

KrisAnne Hall's Bill of Rights Workshop, The Roots of Liberty is  
**NOT JUST ANOTHER LECTURE ON THE CONSTITUTION.**

She presents the 700+ year history that gave us our founding documents - proving that our founding documents were not created on a whim and that they are  
**reliable and relevant today.**

It is important to know not only what your rights are, but why you have them. Hear the words and history of our founders. See the parallels in today's fight for  
Liberty.

KrisAnne is a passionate speaker and can keep audiences' attention for hours. This information is a must for all patriots and it must be passed on. If we are to reclaim our nation, we must reclaim our history!

KrisAnne is an incredibly passionate speaker - a true Patrick Henry of our time. She speaks to audiences all across the country on Constitutional History, American Exceptionalism, and the Fight for Liberty. Her passion and enthusiasm is contagious and she is able to inspire any group –a steadfast warrior in the Tea Party battle.

The full Constitutional Seminar is 5-6 hours. Each segment is about 45minutes and can be presented individually at any regular meeting.

Here's what folks are saying:

*Lester from Lakeland, FL* - As a person who has studied some history via the **5000yr Leap and the Making of America**, I must say I have learned so much more in this first hour of your video.

Christopher from Tampa, FL – I watched **Dr. Larry Arnn's presentation from Hillsdale College**, it was informative, but I must say it doesn't begin to compare to KrisAnne's. I don't know why she isn't president of Hillsdale. Her seminar puts Dr. Arnn's to shame.
